

March Madness: 1968-1985

Decide on the most important 16 events that happened between 1968 and 1985

Exam 3 Study Guide

Exam 3 will take place in 2 weeks, on Friday April 1.

Instead of me giving you a study guide, please fill out the Sweet 16 outer edges of this bracket. In order to do this well, you'll need to READ AHEAD the remaining chapters assigned for this unit. Once you've read MO 10-14 and looked over the documents in HOT 6-8, identify 16 events you think were the most important from 1968 - 1985 (...and think about what criteria might make something "important").

Bring your completed bracket to class on Monday, March 28 after the break and put your Sweet 16 into the competition!

Have a great break! ~ Dr. Hangen
